6/ The facts of the case have been clearly explained by the MC. His recommendation (made in para 7 of Pmd I) may therefore be sanctioned — Viz. —

8/ The protest of the Agent of Sri Ramachandrapura Mutt made in Pmd II does not count for much, as the Mutt is reputed to be appropriating the income of the temples in question without looking to their repairs & without making proper arrangements for the conduct of the customary services in them.

OFFICE OF THE MUZRAI COMMISSIONER,
IN MYSORE,

Dated, Bangalore, 5th May 193 4.

FROM

N. MADHAVA RAO, ESQ., B.A., B.L.,
Muzrai Commissioner in Mysore.

To

S. Shamanna Esq., B.,
Secretary to the Government of His Highness
the Maharaja of Mysore,
Financial *Department.*

SIR,

Management of the Sri Lakshmiveerasimhaswami temple at Tirthahalli and Sri Viswesvaraswami temple at Kuruvalli, Tirthahalli Taluk.

I have the honour to state that the temples referred to above are Muzrai Institutions and are endowed with extensive inam lands in several villages of the Tirthahalli Taluk. The temples together with their endowed properties are now under the management of the Sri Ramachandrapur Mutt near Nagar. It is alleged that the temples were originally attached to Tirumarajapura Mutt which was subordinate to the Nagar Mutt.

2. Allegations of mismanagement having been made against the Ramachandrapur Mutt, an enquiry has been held in the matter. The Mutt authorities allege that formerly there were 18 minor Mutts belonging to the Havika Brahmans each having its own Guru but subordinate to the Head Mutt at Nagar, that in the course of time several of them became defunct owing to their Swamies dying without nominating their successors, that the management of such institutions and their endowments came as a matter of course to be vested in the Head Mutt and that the Mutt which was at Tirthahalli was one of such institutions, and has been in the management since 1859 or thereabouts. On the other hand, many disciples of the defunct Mutt dispute the title of Nagar Mutt over the Tirthahalli Mutt and the temples that were under the management of the latter.

What our rights have been [illegible] of the [illegible]

Ramachandrapur Mutt to manage the temples in question, all the inam endowments are registered in the names of the two deities, viz., Sri Lakshminarasimhadevar and Sri Visveswaradevar, at the Inam Settlement and the Swamiji of the Mutt is only a Manager pro-tem along with the Poojaris (vide copies of Inam Registers enclosed in the records) and the Mutt cannot claim rights of its own in the Inam lands of the temples and must depend for their continuance in possession, on the proper management of the temples and their properties.

The devotees are dissatisfied with the existing state of things and they have been complaining from about 1909 that the Ramachandrapura Mutt has been appropriating the income of the temples without looking to their repairs and without making proper arrangements for the conduct of customary services in them. They therefore pray that the Mutt may be divested of the management and the institutions taken under Government management.

5. The inam lands of the temples are scattered over 13 villages and the annual income is estimated at not less than Rs. 5000/- per year. The Agent himself has admitted that the present annual income is 900 candies of paddy, 150 maunds of areca-nut and a cash jeni of Rs. 200/- and that after paying Government dues the net income to the institutions will be about Rs. 3000 The Agent having failed to furnish the accounts which were said to have been maintained by the Head Mutt, the Deputy Commissioner addressed a Vignapana petition to the Swamigalu to send the accounts of the past ten years with view to ascertain how the temples had fared under the control of the Mutt The Swamigalu not only failed to submit the accounts but challenged the propriety of the Deputy Commissioner's action in calling upon him to produce the accounts.. The Deputy Commissioner states that the unwillingness of the Mutt to produce the accounts, leaves the impression that everything is not all right in the management of the institutions and that the allegations made by the devotees are not altogether the outcome of ill will.

6. The question of assumption of management by Government recommended by the Deputy Commissioner (Mr. T. V. Narasimhaiyar) got mixed up with the claim of the archak Venkatachalla for arrears of pay and paditara due to him. The appeal of the archak in respect of the above, having been finally disposed of by me in September last, the present Deputy Commissioner (Mr. T.V.A.Isvaran) was requested to report after needful enquiry whether mismanagement of the temple affairs still continue. If it were necessary to take them together

together with their endowments under Government control. In a statement filed by the disciples on 25th November 1933 before the Amildar, they have stated that the endowed lands are not being well managed; that though the annual income is nearly five to six thousand rupees, the Mutt authorities are showing false accounts and are not conducting the services according to the usage prevailing in the locality. The Amildar who inspected the institution, has reported that the Prakara-cala all round the temple is out of plumb line; that the building is leaky and no attempts have been made to carry out periodical repairs; that many of the lands are lying fallow; that the rent recovered is not in accordance with the local usage; that the Karpathegar lives at Gokarna coming to Tirthahalli only during the collection season and that the Swamigalu has never visited the place. The Deputy Commissioner, while stating that the mismanagement is continuing from a long time, recommends that the Tirthahalli Mutt, the two temples and the Inam lands might be taken away from the Sri Raghavendrapur Mutt and entrusted to a Committee of persons likely to have an interest in the institutions and that a regular scale of income and expenditure be fixed.

7. As the Mutt authorities have failed to perform their obligations towards the temples, I recommend that the Swamigalu of the Sri Raghavendrapur Mutt may be divested of the management and the same vested by Government. On receipt of orders, further action to appoint a Committee and to fix a regular scale, will be taken by me.

8. The entire file of papers dealing with the Deputy Commissioner's letter No.Muz.1.C.644/33-34 dated 10th January 1934, is sent for reference and return.
